

## FOSBR welcome Bristol's new mayor Marvin Rees – May 2016

FOSBR look forward to working with Bristol's new mayor Marvin Rees. Marvin has already signed our public transport pledge at the green hustings on April 20th. Our transport pledge calls for a cleaner and less congested city, with specific requests around transparent transport governance during devolution, timely delivery of MetroWest rail schemes and integrated bus-rail interchanges.

See the full text of our transport pledge here:
